

# Heading to the parks?

Recommended Nationalparks close by

*California. Yes, beaches in Southern California are hard to beat – However if you look land inwards you will find the most incredible National Parks of the US and the High Sierras.*

*Each of the parks has a nationalpark.gov site that has specific information about the current conditions in the park. Find those links also below*

## **From North to South**

### **Yosemite National Park**
